Case No.: 1:14-cv-08347

Defendant.

**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Wednesday, April 29, 2020:

MINUTE entry before the Honorable John Z. Lee:Defendant's motion for reconsideration [133] is granted in part and denied in part. The motion is granted to the extent that the Court once again clarifies, as it did at the October 23, 2019 status hearing, that the September 25, 2019 order only excludes those proposed expert opinions that were expressly addressed in that order. The remainder of the reconsideration motion is denied, however. Defendant challenges the Court's conclusion that testimony on whether EPD's procedures meet national standards is not relevant to Plaintiffs' procedural–due–process claim by merely citing two district court cases where parties either used, or attempted to use, similar testimony regarding similar claims. This is not remotely enough to establish a "manifest error[] of law or fact" as needed to warrant reconsideration. *Bank of Waunakee v.
