**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Wednesday, July 15, 2020:

MINUTE entry before the Honorable Iain D. Johnston: Counsel for Dr. Israel has submitted the confidential settlement agreement between Dr. Israel and plaintiff for an in camera inspection. The Court has analyzed the document and the terms of the settlement agreement stated in the document. Nothing in the document or any information known to the Court (which has managed this case for nearly five years) causes the Court to be concerned in any way about the good-faith nature of the settlement agreement between these parties. The Court therefore overrules the Wexford defendants' objection to the good-faith basis of the settlement agreement, which they made in response to the plaintiff's motion to dismiss Dr. Israel. However, the motion to dismiss Dr. Israel [236] is stricken as moot because he was dropped from the Sixth Amended Complaint. The request for an order of setoff is denied without prejudice as premature because the Wexford defendants' liability has not yet been established. Telephonic status hearing is set for 8/25/2020 at 9:00AM. Counsel of record will receive an email 30 minutes prior to the start of the telephonic hearing with instructions to join the call. Members of the public and media will be able to call in to listen to this hearing. The call-in number for the public and media is 888-557-8511 and the access code is 2660444. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court.(yxp, )
