**JOINT STATUS REPORT**

Pursuant to this Honorable Court's docket entry, dated November 13, 2020 (Dkt. #263), the parties make this joint status report for the above-captioned case.

**Status of Discovery**

Defendant, Wexford Health Sources, Inc.'s, response to Plaintiff's Supplemental Request for Production is outstanding due to Wexford's representative having limited availability due to depositions and the holiday seasons. Wexford intends to respond with responsive document production pursuant to the previously entered confidentiality order with proprietary vendor pricing redacted. The parties have agreed for Wexford to respond by 12/31/2020. Following Wexford's response, Plaintiff may seek further discovery, including a 30(b)(6) deposition from Wexford.

**Settlement Position**

No settlement demand has been made to date, and the parties agree that a settlement conference would not be beneficial and productive before dispositive motions are fully briefed.

**Request for Action**

The Parties propose this Honorable Court set a status hearing for the second half of January, 2021, at which time it can be reported to the court whether there will be further discovery or a dispositive motion deadline can be set.

Respectfully Submitted,
