**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Thursday, June 24, 2021:

MINUTE entry before the Honorable Edmond E. Chang: On review of the status report, R. 187, there has been one opt out and, more significantly, 697 out of 1,733 notices have been returned as undeliverable. The parties must consider what follow-up steps, if practicable, can be taken to enhance contact with the class members. It is understandable that there would be a higher percentage of returned notices in this case, but the parties must at least give consideration on how to follow up. The parties are otherwise on track under the discovery schedule in R. 184. The tracking status hearing of 06/25/2021 is reset to 08/20/2021 at 8:30 a.m., but to track the case only (no appearance is required, the case will not be called). Instead, the parties shall file a progress report by 08/12/2021 (which is after the identification of the 10 exemplars). Emailed notice (mw, )

**ATTENTION:** This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
