1 A Uh-huh.

2 Q So first I'm just talking about those
3 first couple of days before you got your first
4 dose of Methadone.

5 Did that affect you, not
6 having Methadone for a couple of days?

7 A Yes.

8 Q Can you tell me how it affected you?

9 A Yeah. I didn't have no energy,
10 couldn't eat. My body ached, sweat, threw up,
11 and had the runs.

12 Q Did you go to the medical, like, for
13 any of those things as well, or did you just --

14 A Yes.

15 Q And what happened with that?

16 A They sent me to Cermak. They gave me
17 Routine A.

18 Q Routine A?

19 A Yes.

20 Q What's that?

21 A Some green stuff that they give us and
22 some nausea pills and some pills to stop me from
23 running off.

24 Q Running off meaning digestively?
