Designation Notice (Family and Medical Leave Act)

U.S. Department of Labor
Wage and Hour Division

OMB Control Number: 1235-0003

Expires: 5/31/2018

Leave covered under the Family and Medical Leave Act (FMLA) must be designated as FMLA-protected and the employer must inform the employee of the amount of leave that will be counted against the employee's FMLA leave entitlement. In order to determine whether leave is covered under the FMLA, the employer may request that the leave be supported by a certification. If the certification is incomplete or insufficient, the employer must state in writing what additional information is necessary to make the certification complete and sufficient. While use of this form by employers is optional, a fully completed Form WH-382 provides an easy method of providing employees with the written information required by 29 C.F.R. §§ 825.300(c), 825.301, and 825.305(c).
