**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Monday, November 9, 2020:

MINUTE entry before the Honorable Andrea R. Wood: By 11/30/2020, the parties shall file an updated joint status report setting forth: (1) the current status of discovery, including what progress has been made since the previous status report, whether the parties are aware of any discovery disputes that will require the Court's involvement, and whether the parties are aware of any reason why they cannot complete fact discovery by the previously proposed deadline of 2/19/2021 and expert discovery by the previously proposed deadline of 6/21/2021; (2) the parties' views regarding prospects for settlement; and (3) whether the parties require a telephonic status hearing before the close of fact discovery and, if so, what matters the parties feel it would be helpful to discuss with the Court. If discovery remains on track for completion by 2/19/2021, the Court will treat that date as a firm fact discovery deadline. If not, the parties should explain the reason for the delay.
