**AGREED MOTION TO EXTEND TIME
FOR FILING OF REPLY MEMORANDUM**

Plaintiffs, with the agreement of defendants, request the Court to extend to January 4, 2021 the time in which plaintiffs may file their reply in support of their motion for summary judgment.

Grounds for this motion are as follows:

1. Plaintiffs' reply memorandum is now due on December 28, 2020.
2. On December 23, 2020, defendant Cook County asked the Court for leave to supplement its response to class certification. (ECF 142.) The County included in its motion a request that the Court grant plaintiffs an additional seven days to reply to the supplement and to the response.
3. The Court has not ruled on the agreed motion for leave to file a supplement. Out of an excess of caution, plaintiffs therefore request that the

Court extend to January 4, 2021 the time in which they may file their reply in support of class certification.

4. Defendants do not oppose the requested one-week extension of time.

Respectfully submitted,
