NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Monday, December 30, 2024:

MINUTE entry before the Honorable LaShonda A. Hunt: The Court has reviewed the joint status report [80] indicating that all defendants have been served and filed answers to the complaint, and that some additional but limited fact and expert discovery is contemplated in the case. The Court therefore sets the following deadlines: (1) all fact discovery must be completed by 6/2/25; and (2) all expert discovery must be completed by 9/2/25. These are firm deadlines that will not be extended absent extraordinary circumstances; parties must plan accordingly. By 3/3/25, parties are to file a joint status report specifically identifying what additional discovery has been completed; the schedule for any other discovery that is contemplated; if the parties are mutually interested in a settlement conference; and any other pertinent information for the Court to consider. To the extent Defendants intend to move for consolidation of any related cases, they should do so well in advance of the discovery deadlines. Emailed notice. (cdh,)
