JOINT STATUS REPORT

The parties, by counsel, submit this joint status report pursuant to the Court's Order of April 24, 2025:

1. Counsel have continued to confer about settlement in conferences with Magistrate Judge Valdez, with the next conference scheduled for June 3, 2025.

2. The parties propose that the Court decline to enter a scheduling order until after the conference on June 3, 2025. The parties further propose that they report back to this Court following the June 3 settlement conference.

3. In the alternative, the parties' make the same proposals for a scheduling order as they made in the Joint Status Report submitted on April 22, 2025:

a. Defendants propose that the Court enter the following schedule: Plaintiff discloses experts June 30, 2025;

Defendants disclose experts July 28, 2025; expert discovery completed by August 29, 2025; motions for summary judgment and Daubert motions implicating summary judgment by October 31, 2025; responses due December 5, 2025; replies due December 31, 2025.

- b. Plaintiff's position is that expert discovery and summary judgment briefing can be done more expeditiously because of the expert discovery and summary judgment briefing that the parties have already done in related cases. Plaintiff proposes that the Court enter the following schedule: Plaintiff discloses experts June 30, 2025; Defendants disclose experts July 28, 2025; motions for summary judgment and Daubert motions implicating summary judgment by August 29, 2025; responses due September 26, 2025; replies due October 24, 2025.
