DEFENDANT'S STATUS REPORT

Defendant submits this status report pursuant to the Court's order of March 18, 2025.

1. Plaintiff is on track to serve his expert reports by June 23, 2025 to allow Defendant to depose the experts by the expert discovery date of July 21, 2025.

2. Counsel discussed the possibility of settlement by telephone on May 1, 2025. Plaintiff's counsel is not optimistic that the case can be resolved without trial.

3. Defendants state that on December 17, 2024, the Parties settled this matter for specific material terms. *See* ECF 130. Thereafter, Defendant's counsel drafted and assembled settlement documents for tender to Plaintiff's counsel, but first required Plaintiff to provide payment information, including Plaintiff's Social Security Number, Plaintiff's counsel's law firm's W-9 Taxpayer Identification Number (TIN) and mailing information for the check. Plaintiff's counsel did not provide this information. Plaintiff still has not provided information requested by Defendants which is necessary for completion of settlement documents and processing of approvals.

4. Defendants intend to move to enforce the Parties' on-the-record settlement, and if unsuccessful, will seek to submit summary judgment briefing with respect to Plaintiff's Amended Complaint.
