

I Kimberly D. Collins, being first ~~sworn~~^{duly}
sworn and under penalties of perjury, ^{(ST) (KL) (KC) (KG)}
swear and state as follows

1. In April 2006, I was living at 575 E.

Browning, Apt. 507, Chicago, IL.

2. I was in a relationship with Lionel White,
and he was staying with me. ^{(ST) (KL) (KC) (KG)}

3. I lived at the Browning address for ~~many~~² years, ^{(ST) (KL) (KC) (KG)}

moving in 2008. During my time there, there

were many instances when Sgt. Ronald Watts,

Alvin Jones (AJ), Kallatt Mohammed and

other police officers came into my home

and searched it.

4. Having lived in that area, I was well

aware of the reputation of Sgt. Watts and

These other officers as dirty and corrupt police.

5. I remember learning my boyfriend

Lionel White was arrested in April 2006.

6. I was not home when he was arrested, but when I got home, my house was in disarray.

Pillows were all over the floor and the house

was just generally trashed.

My neighbors told me that Watts and AJ (Jones)

came in and arrested Lionel.

8. I spoke to Lionel over the phone thereafter

and he told me that AJ beat on him

and tore up my house. Lionel told

me he was seeing a doctor.

9. I called the 800-number to report Chicago police misconduct regarding what AJ and Watts did. I can't recall if I even spoke to someone but nothing ever came of it.

I am giving this statement voluntarily in the presence of Josh Tepfer, Matt Smith, and Kelsey Lutz. Mr. Tepfer explained to me that he is Lionel's lawyer and that Mr. Smith & Ms. Lutz are working with him for Lionel.

I understand that Mr. Smith is a notary public. And I understand that this statement is given under oath. I understand that Mr. Smith does not have his notary stamp

with him at the moment, but I
 Consent to him stamping this statement
 when he returns to the office.

I understand my signature certifies this process
 and that my statement is given under
 oath. Mr. Smith witnessed me signing
 this statement.
