Hi all,

We will be filing our motion today. I was thinking we could send an email to Scott White shortly after filing saying that the parties' propose that Defendants file their response by January 19 and Plaintiffs file their reply by January 26 if the Court is okay with that schedule. Let me know if you think that makes sense or if you have a different proposal.

Thanks,

Hi Tony,

To confirm our discussion at court, Plaintiffs will file a motion relating to IDOC calls on January 5, 2024. We'll propose a briefing schedule that gives Defendants 14 days to respond and then 7 days to reply for Plaintiffs. Let me know if you want to discuss further. Thanks.
