Hi Bill,

Please let us know specifically what Defendants are proposing for the exam and when you'd like it to take place so that we can give you our final position. At this point it's my understanding that you are asking for 8 hours with no restrictions on any questions and. Glenn might be asked, but I don't know that we have the time part in writing. I saw your other email with the letter listing potential tests, so I'm not asking you to repeat that. Thanks.

Scott

Hi Scott/Gianna – as an update for you, Defendants will not withdraw their request for a Rule 35 examination of Ms. Glenn. In addition, Doctor Klipfel is a clinician and in order to perform a psychological evaluation should not be prohibited from inquiring about what any officer said or did during their interactions with Ms. Glenn as this is pertinent and directly relevant to Ms. Glenn's claims. I'm also happy to confer with you to discuss further. Have a nice weekend.

Thanks
