Pursuant to the Court's Order of October 23, 2020, the parties submit the following status report on discovery:

I. Deposition Scheduling

The parties have tentatively scheduled the following depositions:

November 18, 2020	Janice Branscomb and Nathaniel Branscomb
December 2, 2020	Cheryl Young
December 4, 2020	Plaintiff
December 11, 2020	Defendant Gregoire
December 16, 2020	Defendants Perez and Kinsey
December 18, 2020	Defendant Brandon
January 6, 2020	Harold Fields

Defendants may seek to depose two Assistant States Attorneys in January. The parties will comply with the Court's Order of October 23, 2020 and file a report on November 13, 2020 with firm confirmed dates for the depositions of Plaintiff and Defendants Perez and Kinsey.

II. Outstanding Discovery Responses

The parties conducted a rule 37.2 conference on November 2, 2020, which identified requests that were still outstanding or awaiting supplementation. Therein, Plaintiff agreed to revisit discovery responses regarding potential witness contact information and social media postings and Defendants agreed to produce personnel files and punitive damages discovery. Both parties agreed and anticipate all outstanding requests will be produced and/or supplemented before Plaintiff's deposition on December 4, 2020. Defendants also are tendering, on November 2, 2020, approximately one hundred and sixty (160) additional pages of documents responsive to Plaintiff's discovery requests.

Respectfully submitted,
