STATUS REPORT

The parties submit the following in compliance with the Court's order of April 21, 2022:

1. Discovery Completed

The parties have completed Rule 26 disclosures and propounded written discovery. The parties expect to serve responses by July 8, 2022, with the City producing documents on a rolling basis.

Plaintiff will depose the individual defendants and defendants will depose plaintiff. Plaintiff will be able to quantify the discovery required for the class claim against the City of Chicago after the City has responded to outstanding written discovery.

3. Foreseeable Obstacles to Meeting Deadlines

Fact discovery (on Plaintiff's individual claim and class issues) is scheduled for completion on October 9, 2022. (ECF No. 33.) The parties will file an appropriate motion to reset the schedule if necessary.

4. Settlement Conference

The parties do not believe that a settlement conference would be productive at this stage of the case.

5. Need for Status Hearing

The parties do not believe there is a need for the status .
