JOINT STATUS REPORT

The parties submit the following in compliance with the Court's order of November 12, 2020:

1. The parties have agreed to extend to December 23, 2020 the time for responding to the written discovery previously propounded. The parties agreed to this mutual extension to accommodate COVID related delay. The parties have submitted their disagreements about a confidentiality order to the Court. (ECF No. 42.) Plaintiff served a third request for production of documents on December 7, 2020.

2. Discovery to be taken: defendant will depose the named plaintiff. Plaintiff intends to request leave to add additional plaintiffs; defendants will likely seek to depose these additional plaintiffs. Plaintiff will be able to outline his projected discovery after defendant responds to the outstanding discovery.

3. The discovery cutoff of April 22, 2021 appears unrealistic. The COVID situation continues to slow the efforts of both parties to respond to discovery. The parties suggest that the Court reset the pre-trial schedule after the parties have exchanged responses to the outstanding written discovery.

4. The parties suggest that the Court continue the status hearing to a date in January 2021 that is convenient to the Court.
