JOINT STATUS REPORT

The parties submit the following in compliance with the Court's order of April 30, 2021:

1. Plaintiffs have requested additional arrest reports that are relevant to the challenged policy; these documents are due on July 1, 2021.
2. Defendants have propounded discovery to the newly added plaintiffs and have noticed their depositions (for various dates in July of 2021).
3. The parties have exchanged correspondence and had a meet and confer about defendant's assertion of various privileges interposed to plaintiffs' request for production of the documents generated in connection with adoption and modification of the challenged policy. Plaintiffs expect to file a motion to compel, with an agreed briefing schedule, on June 23, 2021.

4. Plaintiffs will notice depositions of the persons involved in the adopted and modification of the challenged policy after resolution of the privilege claims. Defendant City has noticed the depositions of all Plaintiffs, which are to take place on July 14, 16, 20 and 21.

5. The viability of the present schedule turns on resolution of the claim of privilege.

6. Settlement discussions are premature.

7. The parties suggest that the Court set another status hearing after the parties have filed their proposed agreed briefing schedule on plaintiffs' impending motion to compel.
