JOINT STATUS REPORT

The parties submit the following in compliance with the Court's order of October 12, 2021:

1. Outstanding Fact Discovery

A. From Plaintiff

Plaintiffs are working to produce interrogatory answers and responses to document requests directed to Plaintiffs by November 1, 2021.

B. From Defendant

Defendant has served responses to all of Plaintiffs' discovery requests. The parties will meet and confer during the week of October 18th to attempt to resolve plaintiffs' issues with several of these responses.

Defendant intends to depose each plaintiff within 45 days of receiving their written discovery answers, assuming that there are no issues with

their answers and that mutually convenient times may be found for those depositions.

C. Discovery Disagreements

The parties are complying with the “meet and confer” requirements of Local Rule 37.2.

2. Proposed Schedule

The parties suggest that the Court defer setting a fact discovery date and date for the filing of plaintiffs’ expected motion for class certification until the October 25th status hearing.

3. Settlement Conference

The parties do not believe that a settlement conference would be productive at this time.

4. Resetting the October 25, 2021 Status Date

The parties suggest that the Court reschedule the October 25, 2021 status date to late November to allow continued efforts to resolve discovery disagreements.
