Re: DISH Network Corp.'s Production of Documents – Volume One  
*Anthony Dale et al., v. Deutsche Telekom AG, et al.*, 22-cv-03189

Dear Hill:

Please find a BOX link to download DISH Network Corp.'s production *DISH\_PRODVOL001*. The production contains 304 documents branded with the unique identifiers DISH00000001-DISH00004148. Please note that some of these documents have been designated as CONFIDENTIAL and HIGHLY CONFIDENTIAL – SUBJECT TO PROTECTIVE ORDER and should be treated as such.

As stated previously and reiterated herein, DISH reasserts any and all objections made in its "Responses and Objections to Subpoena to Produce Documents, Information, or Objections" on February 2, 2024, including and specifically in regards to its relevance objections. DISH produces these documents in a gesture of good faith, and nothing in the production should be deemed an admission that these documents or the topics discussed therein are relevant to the claims and defenses in the instant litigation.

*DISH\_PRODVOL001.zip* is encrypted and is available via secure download at the link below. The password to decrypt the ZIP archive will follow by separate email.
