

**UNITED STATES DISTRICT COURT  
FOR THE Northern District of Illinois – CM/ECF NextGen 1.8 (rev. 1.8.3)  
Eastern Division**

Anthony Dale, et al.

Plaintiff,

v.

Case No.: 1:22-cv-03189

T-Mobile US, Inc., et al.

Defendant.

Honorable Thomas M. Durkin

**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Tuesday, March 18, 2025:

MINUTE entry before the Honorable Jeffrey Cole: Video status conference held. In response to the Court's question regarding the meeting among counsel that was ordered on 2/26/25 [dkt. [241]], one of the counsel said that such a meeting had occurred, and that while there was agreement on a number of points, a number remained unresolved, including not only substantive but timing issues as well. While unfortunate, this diversity is perhaps not surprising. Indeed, even "[p]erfect clarity and precise guidance have never been required, even of regulations that restrict expressive activity." *United States v. Williams* 553 US 285 304 (2008). While I understand that each of the participants have their own specific interests that do not perfectly harmonize with the interests of the other "players" involved in the discovery process, the discovery process must begin in this case, as in every other. Given the number of the parties involved and the number of non-parties who will be affected by the Order under discussion, it was agreed today that there would be a joint proposed Order filed not later than 3/20/25, which will embody a schedule relating to all those matters on which the parties had agreed. The next video status conference is set for 3/26/25 at 2:30pm. Instructions will be emailed to counsel. Members of the public and media will be able to call in to listen to this hearing. Please call (855)-244-8681, access code 1807229989#. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the Court.
