Defendant.

NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Wednesday, October 18, 2023:

MINUTE entry before the Honorable M. David Weisman: Magistrate Status hearing held. No date yet on defendant Evans' deposition; defense counsel indicates it has no contact information for him. Defendant to provide firm date for Evans' deposition by 10/27/23. Shelton deposition can proceed. Regarding plaintiff's objection that Shelton has not received her witness-fee check, Court noted she has waived her right to receive her check until the deposition. As to Spencer deposition, Plaintiff to provide contact information to defense counsel by 10/27/23. Regarding ASA depositions, defense counsel admits it missed the deadline to issue subpoenas to the two ASAs. Defendants want to take depositions of these ASA's to inquire about allegations of fabrication of evidence, evidence relied on at preliminary hearing, speedy trial issues, and reason plaintiff's bond was revoked. For reasons stated on record, Court denied defense request to subpoena ASAs; specifically, deadline was missed and reasons for depositions are not compelling given that they are speculative, and answers are likely to be found on state-court record. Fact discovery closes 11/14/23. Status hearing set for 11/30/23 at 9:30 a.m. Joint status report due on 11/28/23 addressing the status of discovery, whether expert or treater discovery will be necessary, and whether parties seek a settlement conference. Mailed notice (ao,)
