**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Monday, October 30, 2023:

MINUTE entry before the Honorable Manish S. Shah: The motion to order lead plaintiffs to name additional plaintiffs or to deconsolidate cases [96] is denied. It is not unusual that a contested leadership fight has resulted in some plaintiffs disagreeing with lead plaintiffs' approach. But the court remains satisfied that consolidation of all cases and leadership from the court-designated lead plaintiffs and counsel is the most appropriate method of case management. A shareholder derivative action need not name other plaintiffs to vindicate the interests of shareholders seeking relief for the benefit of the company. The cases remain consolidated and lead plaintiffs and counsel are entitled to make strategic decisions. All stakeholders must learn to work within this structure. Notices mailed. (psm, )

**ATTENTION:** This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
