Memo:

8/18/21 08/18/21 08:41 Per caller, people at 4816 E Lake Shore Dr keep the dog tied out for hour or more at the time, dog barks all the time nonstop, caller stated that dog is a Pomeranian looking dog.

Dispatched to Officer J. Enos. MVillagomez

8/18/21 08/18/21 10:44 I arrived at the house and spoke with an unknown man. He said he had been living in the house for 8 years. He would not give me his name. I looked up on true people search and found a name of Monica Cosby under this address. The man gave me the dogs name of JD and said it was a tan 8 year old pomeranian. He said the dog was vaccinated and registered and wonder lake vet. I called over to the vet and asked if they had anyone under that name and address and they did not. I left an ordinance violation for lack of vaccination and registration and a notice of public complaint for barking. JCENOS424

8/18/21 08/18/21 15:04 A gentleman came in with a camera around his neck. He stated an officer falsified information a document. He also had a portion of the ordinance printed out for a dangerous dog. Ashley explained the portion he printed out does not apply to the form the officer filled out. Ashely then asked if he was recording us. He stated he was not but will if he needs to. Ashley had already clocked out for lunch so I, Dana, took over helping the gentleman.

I explained to him the form he received was a notice of public complaint. I explained that means someone near him called and made a complaint. I explained Animal Control is complaint driven and we have to follow up with all calls. I explained This complaint is not a ticket and not something that would go against him.

He brought up the officer having Monica Cosby. I stated I was unsure. I then informed him we do need his name and dogs information. He stated he gave it to the officer and would not give it to me. He stated he took his dog to the banfield wonder lake. I said I could call the vet and they would be able to give us the current infomration.

He stated now hes recording. I informed him I was not giving consent to be recorded. At this time I am not sure if he started recording.

I called the vet and the only dog they stated they did not have a monica Cosby. He then said the dogs name is JD Oats. They said they did not have a JD oats. I then asked him for his name as that was how they would be able to look up his dog. He stated again he was not going to give that information. I informed him there was a chance he could possibly receive a ticket for impeding. He said go ahead and send it he will contact his lawyer and walked out.

continued note 4

8/18/21 The vet stated they have a dog named Goose Oats at the same address, but records of the dog. I told the vet if we have anymore questions we would call back.

I then looked on Truepeoplesearch and located a Curtis Oats residing at the address. I updated the information of the owner to Curtis Oats Sr. and created the V/R follow up for dog JD. D.Coon

8/18/21 08/18/21 16:28 I issued a ticket for impeding for \$100.00 JCENOS424

11/13/21 11/13/21 12:22 I called and spoke with Curtis and he began to explain how he is being harassed and he has an attorney that he is working with to file a lawsuit against Animal Control. Curtis said he does not need to provide any information to me and there is not anything I can do about it. He stated the Officer came to his house and Curtis asked for the Officer to leave his property and the Officer went to his mailbox and obtained information from his mail. Curtis then explained how the Officer starting questioning the "young lady" who was visiting him at his home to get more information on the dog of which the lady did not own but that his daughter owns the dog. I then explained to Curtis that it is his decision to pursue what he feels he needs to and I am just calling in regards to the owner of the dog and whether or not the dog resides in McHenry County. Curtis then responded no, that his daughter nor the dog are in the county. He then expressed how he received a ticket for something that we cannot do anything about. I chose to not discuss any further with the situation and will forward to Maryellen, Kara, and Janelle. I thanked him for the information and we ended the call.

12/4/21 12/04/21 13:16 Due to the owners confrontational nature (see previous notes), I mailed tickets for failure to rabies vaccinate and register JD. JCarlson122

12/16/2 12/16/21 08:13 I, Kathy Rondorf received a call from Curtis Oats stating that animal control is harrassing him regarding JD. I explained to him that if JD lives with him longer than 30 days the dog needs to be vaccinated and registered through McHenry County. Curtis said that the dog belongs to Kristina Randall who is his daughter. Kristina will be back at Christmas break to get the dog. Curtis went on that he is the only African American man in the neighborhood and thinks we are hassassing him. He plans on contacting an attorney and taking this through the federal court in Rockford. Again I asked if he could supply the vaccination records and we would be able to resolve this issue. Curtis again stated is feels that this is a racist issue and thinks that the office went through his mail box to get information which was not correct. I told him I am sorry he feels that way and if he wanted to leave a voicemail for Kara he could do so. Curtis asked that I transfer him. K. Rondorf

12/17/2 12/17/21 10:27 KMP received a VM 12/16/21 8:11AM from a Curtis Oates who gave his name and just said WOW! I'll let my attorney handle it. That was the extent of the message.

12/27/2 12/27/21 11:34 I completed NTA part of the call and was unable to find the paperwork in the tickler to give to Kathy. JCarlson122

3/24/22 03/24/22 15:31 I, Kathy Rondorf mailed court complaint 22ov000313 regular and certified mail. K. Rondorf
