STATUS REPORT

The parties file this joint status report in accordance with the Court's order of July 9, 2024 to provide their proposal for further proceedings.

1. The parties are awaiting the Court's ruling on plaintiff's motion to compel (ECF No. 33).

2. Discovery is now set to close on September 9, 2024. The parties agree that this date is not practical because of the unresolved discovery dispute at issue in the motion to compel. The parties respectfully request that the Court vacate the discovery close date to a date to be determined after the Court's ruling on the motion to compel.

3. The parties suggest that the Court order a further report on status with proposals for further proceedings 14 days after the Court rules on the motion to compel.
