NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Saturday, August 10, 2024:

MINUTE entry before the Honorable Young B. Kim: Parties did not move to compel by August 9, 2024, identifying written discovery disputes as ordered. (See R. 72.) Based on this, the court presumes that the parties do not have any non–Monell written discovery issues. Phase I written discovery is now closed, except for supplementing earlier discovery responses as required under Rule 26(e) and serving requests to admit and subpoenas for records. If the parties wish to serve supplemental written discovery requests, they must seek leave of court by filing a motion and attaching the proposed set of supplemental requests as an exhibit to the motion. Parties must show good cause why these supplemental written discovery requests could not have been served by the earlier deadline. Parties have until January 10, 2025, to complete all non–Monell fact discovery. This deadline will not be extended unless the parties can demonstrate that they have been diligent in their efforts to complete fact discovery. Parties are urged not to squander their opportunity to conduct discovery. Parties are to file a joint status report by November 8, 2024, advising the court of the following: (1) depositions completed; (2) depositions each side still requires and scheduled; (3) depositions each side still requires but not scheduled; and (4) whether each side plans on retaining experts. Mailed notice(Kim, Young)
