***Re: Subpoena in People v. Tinajero v. Chicago, et al. - 24 C 1598 Requesting the personal files of former ASA, Jake Rubinstein.***

Dear Counsel:

You have received with this correspondence a SharePoint link to the materials responsive to the October 22, 2024 Document Subpoena issued in the above matter. This link also contains the privilege log associated with the production. The link will be live for 14 days during which you may download these materials dated February 25, 2025 and bates-labeled CCSAO\_000001\_CCSAO\_00032. Please download any materials you wish to retain before the link expires.

This production was made after the State's Attorney's Office conducted a reasonable search for responsive records. Additional responsive records may exist; this production reflects the electronic images of the original CCSAO file requested. No further search will be conducted for additional responsive materials. We will now close our file.

If you have any questions or concerns, please do not hesitate to contact me directly.

Sincerely,

/s/ David A. Adelman
